COR warranty information

Dear Valued Customer.

Thank you for choosing COR furniture for your fit out.

As one of the most premium brands in the industry, we also have premium warranty conditions (of which you most likely may never need).

We give a 10 year warranty on product function and metal/wood frames, and a 5 year warranty on COR fabrics with normal wear and tear.

If for whatever reason a misfortune should happen, almost all of our products can be repaired on site by our maintenance team in the US.

Thank you for choosing COR!

Best regards
