
Knack®

We've got everyone's back

The soft, comfort-first seat back of the Knack follows the natural curve of the spine, providing supreme ergonomic support all day long. Five control selections and a back height adjustment come standard for easy, customized upper back and lumbar support for every user. Plus, an available Heavy Duty option ensures that anyone (and everyone) has a seat in the room.

The simple, goes-anywhere design of the Knack makes it an essential and affordable choice for corporate, healthcare, government and educational settings.

California born and bred

We're a leading manufacturer of commercial solutions in the U.S. — and #1 in task chairs. From tables and lounge to screens and more, we've been the go-to destination for comprehensive, build-to-order solutions for almost 25 years. We combine award-winning design with the fastest lead times around, and our design and planning services can turn product innovation into your space inspiration. We're able to build almost any specification you want, deliver it when you need it, and offer a level of value no one can match. It's all part of our indie California spirit and drive to be the one place you go for any (and every) space.
