
Visit[®] Modular

California born and bred

We're a leading manufacturer of commercial solutions in the U.S. — and #1 in task chairs. From tables and lounge to screens and more, we've been the go-to destination for comprehensive, build-to-order solutions for over 25 years. We combine award-winning design with the fastest lead times around, and our design and planning services can turn product innovation into your space inspiration. In the end, we're able to build almost any specification you want, deliver it when you need it, and offer a level of value no one can match. It's all part of our indie California spirit and drive to be the one place you go for all of your spaces.

Sit. Stay awhile.

With contemporary aesthetics, the Visit Modular® collection features flexible modularity and arm options for inventive space planning. Link arm and armless models with ganging brackets and an ottoman for common areas and waiting rooms. Handy seat-back handles and functional tablet arms make Visit Modular perfect for collaborative spaces and pull-up meetings.

Mix. Match. Make it your own.

Add a pop of color. Create custom, versatile arrangements to complement all kinds of spaces with over 1,200 textile options that ship in just 10 days.

Store a magazine, hang a backpack or set a tablet — the ways you can customize Visit are almost endless.

High and mighty

Experience foam cushioning that's high-density, high-quality and high-ranking (voted most comfortable in sit tests). Plus, enjoy lasting durability and longer life from a mighty, modular frame with field-replaceable parts.

Made for moments

Waiting for a big meeting. Studying for a bigger test. Or just getting together for a last-minute collaboration. They're all made better with the modular lounge line that leads in comfort, convenience and customization.
